

*Digital Capabilities***Electronic Prepress**

- Apple Xserver
- Apple LaserWriter 8500 1200 dpi 11" x 17" laser printer
- Epson Expression 10000XL scanner
- Heidelberg Nexscan F4200 copydot scanner
- HP Designjet 2000CP 600 dpi forms proofer
- 2 HP Designjet 5000 (600 x 1200 dpi) forms proofers
- 6 IBM-compatible desktop publishing workstations
- Integris™ 800 digital color proofer
- Kodak Prinergy PDF Workflow
- Kodak Staccato FM Screening
- Kodak Synapse InSite Collaborative Proofing
- 2 Kodak Trendsetter 3244 F Computer-to-Plate devices, one with Spectrum/Waterproof Digital Halftone Dot Proofing
- 21 Macintosh desktop publishing workstations
- Printlink Prepress to Press Interface
- Xante Accel-a-Writer 3G 1200 dpi 13" x 18.5"
- 24-hour FTP electronic file transfer

Data Processing and Personalization

- 2 Xerox DocuColor iGen3 Digital Production Presses with SmartPress Imaging using CMYK dry inks, 4 color, 7" x 7" to 14.3" x 20.5"
- 2 Xerox Nuvera™ 144 Digital Production Systems, sheetfed, up to 12.6" x 18.5" with duplexing capability at 1200 dpi
- Xerox Docuprint 180 Laser Printing System™, sheetfed, up to 14" x 17" with duplexing capability at 600 dpi
- 3 Nipson model 8000 continuous form magnetic printers with duplexing capability at 600 dpi
- 2 Tally high speed impact printers
- Bowie Bell Howell 8080 Duplex Scanner
- Intelligent Document Recognition Software
- Custom programming
- Postal presort software

Online Communication Services

- Email campaigns, list management and reporting
- Personal URL landing page construction and hosting
- Real-time custom reporting on personal URLs
- Online data collection and data feeds

Computer Services for Custom Web Portals

- Custom reporting
- Digital asset management
- Online image archives
- Online inventory management
- Online postage tracking
- Online proofing for print and mail (Kodak Insite)
- Online reordering
- Online storefronts

Secure/Reliable Network

- Cisco's Self-Defending Network
- Redundant live replicated systems
- Generator backup
- VPN/SSL connections available

*Commercial Printing, Envelope Printing and Bindery***Sheet Fed Presses**

- Heidelberg Speedmaster 102 SP, 6 color, 28" x 40"
- Heidelberg Speedmaster CD 102, 6 color and coater, 28" x 40"
- Heidelberg MOFH, 5 color, 19" x 25.5"
- Heidelberg Speedmaster 102 ZP, 2 color, 28" x 40"
- Heidelberg GTO, 2 color, 14" x 20"

Web Presses

- Didde ML 1000 web press, 6 color, 22" cut off
- Didde 860 web press, 8 color, 22" cut off with UV capabilities
- Didde 860 web press, 6 color, 22" cut off
- 2 Didde MVP variable web presses, 5 color, 11" cut off and 11" & 14" cut off
- 2 Fanfold attachments for continuous forms

Envelope Presses

- 2 Halm jet presses, 3", 1 color
- 4 Halm jet presses, 3", 2 color
- 2 Halm super jet presses, 6", 2 color, inline folding unit

Bindery

- 2 Polar paper cutters, 52" with offload jogger
- Harris 650 saddle-stitcher, 6 pocket with cover feeder & 4 stitcher heads
- Muller Martini saddle stitcher, 6 pocket with cover feeder & 1 card or envelope feeder
- 2 Stahl folders, 26" x 40"
- 2 Stahl VFZ 52" knife folders for gate folds & folding offline
- Stahl folder, 23" x 35"
- 5 Baum Legend folders, 26" x 40", one with glue binding capabilities

- 3 MBO B26 SC Perfection folders 26" x 40", with auto banders
- Dick Moll Signa inline standard 3 hole punch
- Interlake Bindery Mate hand operated stitcher
- Spiel inline 3 hold punch
- JR 1000 gluing table
- Robatech remoist hot melt glue strip applicator
- Robatech cold glue applicator system
- Glue bind unit
- Challenge 3 hole drill
- Horizon SPF-20A stitcher and folder
- Horizon FC-20A trimmer
- Horizon VAC-100 40 bin collator
- Horizon plastic coil inserter
- Standard auto creaser
- Challenge cornering machine
- 1 Baum Flexifold
- 1 GBC STL1000 semi-auto twin loop binder wire-o-binding
- 1 USP13 universal speed punch

*Mail Processing and Additional Services***Mail Processing**

- 27 Four to six station inserters
- 9 Inserting machines, 9" x 12" (4 to 9 insert stations)
- 14 Postage stamp affixing machines
- 3 Coin affixing machines
- 2 Tip-on machines
- 2 Cheshire labeling machines (up to 1-1/2" deep labels)
- 4 VideoJet SR50 ink jet addressing machines
- 4 Inline Kirk-Rudy tabbing systems
- 4 Scitex 5240 ink jet addressing machines
- 2 Label-Aire 2 CD label applicator
- 1 Pick & Pack CD feeder
- 3 MCS Perfect Match camera matching system
- 6 MCS Array HP color ink jet addressing machines

Custom Hand Assembly Section

- 4 High-speed off-line metering machines
- 2 Automatic letter openers
- 1 Federal Express Powership 2 manifest system
- 1 Amscomatic T-shirt folding machine
- 2 UPS World Ship manifest systems
- 2 Mailbag polybag inserters

Separate Bindery Facility for Handling Addressed Forms

- 2 Baum burster-folders for continuous forms
- 2 O&M slit/merge folders
- 3 Standard register bursters
- 1 Baum friction feed folder
- 1 Baum Lawson Programmable cutter 52"
- 6 Bowe 310 continuous forms cutters
- 1 Bowe slit/merge attachment

- 1 Moores slit/merge attachment
- 4 Baum continuous feed folders
- 1 Polar paper cutter, 52"
- 1 Mock impact form collator

Additional Services

- In-house postal facility (in-plant loading)
- Fulfillment services (computerized tracking, 55,000 sq ft storage space)
- Extensive presort applications
- Shrink wrapping capabilities
- Pick-up and delivery
- 10 Radio dispatched trucks
